Zhihanna Liu

zhihannaliu@stanford.edu | www.linkedin.com/in/zhihannaliu | zh1hanna.github.io

Math and philosophy student interested in AI, platform policy, and product design.

EDUCATION

Stanford University Stanford, CA
BS Mathematics, BA Philosophy Expected June 2029
Activities: Stanford Symphony Orchestra (Violin); Public Interest Technology Intern (Research and Policy)
Women in Politics Professional Development Committee; ACLU Media Committee

York Community High School Elmhurst, IL
Philosophy Club (Founder/President), Speech Team, Symphony Orchestra (Concertmaster) May 2025

EXPERIENCE

WikiCharities Remote
Data Research Analyst July 2026 - September 2026

- Synthesized messy, inconsistent raw data from 90+ countries into a clear, standardized framework, defining and prioritizing 50+ terms so stakeholders across the project could compare countries on a consistent, shared basis
- Built Excel deliverables, including cross-country comparison datasets, aligning stakeholders on a shared standard
- Contributed research and sources to the project white paper on nonprofit data harmonization and standardization

McCoy Family Center for Ethics in Society, Stanford University Stanford, CA
Project Assistant March 2026 - Present

- Conduct literature and legislative reviews on AI-generated content ("slop") in music under Shane Culloty, aggregating platform policy and industry data to support strategic recommendations for ongoing research in this area

Stanford University Stanford, CA
Research Assistant to Dr. Jennifer Chien, Stanford HAI January 2026 - Present

- Analyze technical literature on LLM pipelines and platform policy inconsistencies as directed research (CS195)
- Presented a written report and public presentation to faculty and peers, translating technical analysis clearly

Social Science Research Network (SSRN) June 2023 - May 2024
Published Author

- Authored Forged Connections: Examining ChatGPT's Hyperrealism (2023) and Imagine Sisyphus Using Paper Straws: The Absurdity of Environmental Ethics (2024), collectively achieving 290+ downloads across both papers (as of 2025)
- Earned recognition on SSRN's Top 10 Lists in Professional, Environmental, and Scientific Ethics, as well as multiple interdisciplinary categories spanning philosophy of action, social responsibility, and cognitive science

The Hume Center for Writing and Speaking, Stanford University Stanford, CA
Oral Communication Tutor May 2026 - Present

- Coach Stanford students in structuring and delivering clear, persuasive presentations to diverse audiences

Xilin Northwest Chinese School Hoffman Estates, IL
Instructor (English and Public Speaking) August 2021 - May 2025

- Taught weekly public speaking lessons to ~20 high school students in both oratorical and impromptu speaking; organized and hosted annual speech competitions, coordinating event logistics, timing, and speaker introductions

Chicago Youth Symphony Orchestra Chicago, IL
Writer September 2020 - May 2025

- Published on the Chicago Youth Symphony Orchestra blog, reaching 3,000+ readers across Chicago's arts community

Northwestern University, CIERA REACH Program Evanston, IL
Student Researcher June 2023 - July 2023

- Used Python (NumPy, Pandas) to analyze real NASA astrophysics data and design Monte Carlo simulations modeling luminosity following black hole accretion; graphed results and presented findings to peers and faculty

SKILLS

Analytical: Research Synthesis, Data Analysis, Excel, Python (NumPy, Pandas), Literature Reviews
Communication: Cross-Functional Collaboration, Written Communication, Public Speaking | **Languages:** English, Chinese
